English

👤 PROFILE

Graduated in Computer Science with a lot of desire and enthusiasm to learn about web development and mobile applications. In the short term I would like to work in major Spanish cities, such as Madrid or Barcelona and, in the long term, I would love to work in English speaking countries, such as Ireland or the United States.

📁 EMPLOYMENT HISTORY

Intern at Singular Factory, Las Palmas de Gran Canaria

September 2021 — June 2022

Develop a mobile application called MyNeeds and add features and fix bugs of a web application called qiip.
